

BLACK NOVEMBER WITH OXYLINE

1. The promotion campaign called "BLACK NOVEMBER with OXYLINE" will last from 05.11.2021 to 10.12.2022 or subject to availability.
2. The promotional campaign covers the entire range of products under the Oxyline brand, such as disposable respirators, medical respirators, coveralls, anti-gas masks. The promotion does not include products of other manufacturers, which Oxyline has in its offer.
3. The promotion is addressed to all distributors / customers registered in the database of Oxyline
4. For the purposes and duration of the promotion campaign, special price lists and discount thresholds will be created and distributed.
5. Special promotional pricing will only apply during the promotional period.
6. The discount thresholds and bonus prices applicable in the promotion:
 - **8000 EUR** spent at a one time - the customer receives a bonus pallet / 16 cartons/ 5760 pcs of FFP3 masks for 1 EUR.
 - spent at one time **5000 EUR** - the customer receives extra half a pallet / 8 cartons/ 2880 pcs of FFP3 masks for 1 EUR.
 - the customer can choose whether the masks are to be with or without a valve. A mix of both models is possible.
 - doubling, tripling, etc. of the amount of 8000 EUR, paid once by the customer, gives the right to receive further pallets. Correspondingly, 16 000 EUR= 2 extra pallets; 24 000 EUR - 3 extra pallets, etc.
7. Bonus pallets will be shipped with the basic order. Each pallet must be invoiced in the amount of a symbolic 1 EUR.
8. All issues connected with promotion campaign should be directed to: oxyline@oxyline.eu
