

PROTECTIVE COVERALL , CATEGORY I

Model: KPP30

USE:

The length of use of this suit depends directly on the way it is used and the precautions taken, bearing in mind that it is a single-use or short-life suit. It guarantees an adequate level of protection for the wearer in the part that the suit covers against hazards caused by non-toxic dusts, non-toxic solid fats and other similar non-toxic waste and against light physical hazards such as abrasions, scratches etc. and small sprays of non-toxic liquids. Do not use this PPE for other types of hazards.
